

4-H Discovery Days back

4-H Ontario is offering Discovery Days for youth ages 6 to 12 across Ontario.

These one-day camps offer youth the chance to explore opportunities available in 4-H Ontario through participation in a variety of stations. Participants are able to try out different activities and meet new friends. They'll make crafts, learn about animals and try their hand at trivia competitions and judging. Why do cows need to belch? How does a horse see? How will you cross the chocolate river? Youth will learn the answers at Discovery Days.

For just \$17, Discovery Days provide a full day of fun from 9:30 a.m. to 3:30 p.m., including lunch and a Discovery Days t-shirt for each participant.

These camps are open to both 4-H members and non-members alike, but have a maximum registration of 60 participants.

Bring a friend to Discovery Days and be entered to win a great 4-H prize pack!

Application deadline: May 30/16; Location: Hillcrest Church, Georgetown, ON
