

CIBC donates \$80,000 to Headwaters Health Care

CIBC is donating a leadership gift of \$80,000 to Headwaters Health Care Foundation in support of its \$16 million Commitment to Care Campaign, further supporting the communities in which it operates.

The bank will announce its donation as part of the ground-breaking ceremonies today (Thursday) celebrating the first major expansion of the hospital since it opened at its current location in 1997.

A new, 8,700-square-foot expansion will house important services like chemotherapy and oncology, infusion clinics, minor procedures and telemedicine.

Headwaters is also taking on an exciting renovation of 11,900 square feet of existing hospital space to add another operating room, improve reception and expand pre- and post-surgical recovery areas.
